Staydan Freight Services Ltd

WELCOME

Staydan Freight Services Limited **SFS** was established in July 2002 and is the premier UK international freight forwarder, we offer a personalised service with the emphasis on attention to detail.

Airfreight, seafreight, road haulage and customs brokerage, this means that just a call to one number is all you need to move your cargo from any point in the world by air, sea or road. You can leave the rest to SFS and our network of agents in place worldwide to ensure smooth customs clearance and delivery locally almost anywhere in the world.

As a neutral forwarding agent, we are able to contact all relevant carriers or airlines to obtain the best results available on the market.

We are operating from a warehouse 2 miles from London Heathrow Airport. Within this warehouse are bonded facilities, x-ray equipment and storage facilities.

Our services include packing, legislation or documentation, pre-shipment inspection and translations. We also offer very competitive rates for personal effect's and vehicles.

Please take a look at the various services we can offer, and you will see why we are one of the premier UK international freight forwarders.

WORLDWIDE EXPORTS & IMPORTS

Need to get your freight there as soon as possible? Opt for our air freight service. Or are you looking for a less expensive delivery method? Our sea freight service might be for you. Whatever method you're looking for our team of experts are on hand to help and advise you.

FREIGHT FORWARDING

Staydan Freight Services Ltd **SFS** acts as an intermediary between companies and countries. We arrange all the required paperwork in each country, collect and package your goods and provide you with insurance whenever possible. That's why so much of our business comes from recommendations.

A GLOBAL SERVICE FROM A LOCAL COMPANY

Trust our local team of experts to transport your goods all over the world. Our experience and customised service make us the go-to company for all of your freight needs.

AIR FREIGHT

Need something transported in a hurry? Staydan Freight Services Ltd SFS deliver air freight worldwide from our base in Ashford, Middlesex.

AIR FREIGHT FROM MIDDLESEX TO THE WORLD

We're always on hand to offer advice and documentation on every aspect of the delivery of your goods, our friendly and professional team are the experts in freight so don't hesitate to contact them today.

THE ADVANTAGES OF AIR FREIGHT

Air freight is the quickest method to move your goods by far; an eight hour flight can take up to eight days by sea. When you absolutely have to get your goods somewhere asap, always choose air freight.

THE BENEFITS ARE ENDLESS

- Fast and efficient
- Our team will complete all the paperwork
- Insurance provided
- Private clients and businesses catered for

SEA FREIGHT

Staydan Freight Services Ltd SFS offer a fantastic price on our sea freight services. Sea freight may not be as fast as air freight, but what you lose in speed you more than make up for in cost effectiveness. Insurance and general fees are substantially cheaper, getting you more miles for your money.

THE BENEFITS OF GOING BY WATER

Along with the cost, ports tend to not be as harsh as airports, so your goods are less likely to be held up by administration. If that wasn't enough, there's also the knowledge that you're helping out the globe, with seafaring vessels using much less fuel compared to their airborne and land-based counterparts. Invest in a better future for everyone with sea freight.

ADVANTAGES GALORE

- Cost-effective
- Avoid heavy land-based traffic
- Less administration at sea ports
- Eco friendly

ROAD FREIGHT

Get your goods from a to b with our tailored road freight services.

MOVE YOUR GOODS THE OLD FASHIONED WAY

With the added benefit of being able to hire a specific vehicle, you'll know that your products are safe from the start of the journey to the finish. Additionally, shipping your goods by flight or sea has the added risk of them being misplaced amongst the other cargo, travelling by road eliminates this risk.

HIT THE ROAD

Our door-to-door road service means that you can transport your goods with as little red tape as possible. There's also the added benefit of less strict legislature over road-based transport as opposed to aerial and seaborne options.

THE ADVANTAGES

- A cost-effective option
- Door-to-door service
- Minimal risk
- Less legislature and red tape
- Less administration
- Insurance and documentation included
